Plans Open House

An open house is being held from 2-5 p.m. March 14 in honor of the completion of the new air studios of WTSC-FM and WNTC in Potsdam. The open house will be held in the basement of the Hamlin-Powers dormitory complex at Clarkson College.

This past summer WTSC-FM and WNTC merged into one organization. All new equipment was installed in the WTSC-FM studio and all new equipment has been ordered for WNTC. In addition, the studios were completely rewired and remodeled.
